

To All Coaches:

The Play Offs will be upon us shortly.....

Here is your play off book. It includes the schedules for the play offs, the rules and the format that was used to decide who plays who. The schedules are set up blank for you to fill them in once you find out how you finished for the regular season.

You may be able to find out your final placing on Saturday July 24th if not you will get a call that weekend to let you know where you placed. Then you will just follow through with filling in the blanks. The schedule will also be posted on the shed and the website www.ramarasoccerclub.ca .

Please be patient during this process of figuring out where you finished, there are sometimes ties and goals for / goals against will need to be calculated.

The final game times will be determined depending on how you do during your play off games. You will likely not know the time of your final game until the Friday before the final day (Sat. Aug. 14th) Please just inform your parents to expect a game on the Saturday, you will get back to them with a time.

The trophies will be handed out at the end of each final game on Saturday August 14th. The BBQ will be on all day, you and your team can head over after the game. Each player will receive a hot dog, drink and a freezie, as well as the coaches. Be sure and try your luck at the dunk tank or try your chance in the tank.

Please respect all referee calls and all games will start on time. Also please be patient during the play-offs as your practice time slot may not be available due to games being played.

If you have any questions feel free to contact me at 326-0359, or email me at suzy@rogers.com

Thank you for your time and commitment to Ramara Youth Soccer Club.

Good Luck in your play off games.

Sincerely,
