

Soccer Uniform Donations for Haiti

To all parents of children enrolled in Ramara Youth Soccer!

Looking for donations of your child's used soccer jersey and/or shorts.

Can drop off in a marked bin at the main tent on last day of soccer, or during soccer registration for the 2012 season. (Please don't worry about items being soiled, they will all be washed and organized afterwards)

We have a contact travelling to Haiti next June and will be visiting orphanages and helping those in need. She has kindly offered to take a hockey bag full of used soccer jerseys, shorts and balls on our behalf (no shoes, or shin pads at this time).

I realize this is a last minute request, however I feel it is a simple way to bring the same joy to children in need as our children feel when they put on their jerseys and become part of a team!

Please feel free to contact me with any questions or concerns.

I appreciate your consideration and donation!

NOTE it would be greatly appreciated if you could kindly spread the word to other teammates and families who may not have received this message. Coaches it would also be appreciated if you could remind families and offer to collect team jerseys and drop off at tent after last game. Thanks so much!!
